Forecast for Thursday 02 Sep 2021

Weather: Dry with cloudier skies overnight and at first on Thursday. Staying dry during the day with sunny spells developing across most hills although a few stubborn patches of cloud may remain during the afternoon.

Chance of cloud free mountain/hill tops above 700m: 30% improving 80%

Visibility: Air will have great clarity and this will result in very good visibility once cloud breaks up. However patches of poor visibility at first and there will be extensive cloud cover above about 700 to 800m with much of it dispersing by the afternoon.
